

**FREE
EVENT!**

Is your glass half empty or half full?

Where do you see yourself in ten years? Coping with floods and droughts or reaping the benefits of new crops and new markets?

70% of English farmers expect to be affected by climate change in the next 10 years. Do you know enough to future-proof your business?

Learn how you can reduce cost and risk for the future, hear about what other farmers are doing about climate change and find out how to make a difference to your business today.

Date: 18 September • Place: Bedfordia biogas, East Anglia

Time: 10.30am - 1.30pm • Anaerobic Digestion
